“

Serving as a disability educator is about facilitating the process of identity development and self-advocacy that is so crucial to learning.

(McCarthy, 2017, p. 11)

The foundation of self-advocacy is...

SELF-AWARENESS

SELF-REALIZATION

**Effective
Self-Advocacy:**
What Students and Special
Educators Need to Know

The graphic is from the same paper.

(Downing et al. 2007)

HOW IT GETS IMPLEMENTED

- Martin et al (1993) explain how self-advocacy fits within the IEP and transition plans throughout the entire academic career
- It can be a specific goal on the IEP
- Through direct instruction.
- Walking students through the process
